

# NEW TESTAMENT SEMINAR

**2 December 2010**

*A special extended meeting of the New Testament seminar will take place on 2 December, when a Festschrift, *New Studies in the Synoptic Problem* (BETL 239; Leuven: Peeters Press, 2011), will be presented to Professor Christopher Tuckett. The seminar will take place in the Roy Griffiths Room, ARCO Building, Keble College, 2.15-6.00pm (with a break for tea from 3.45 to 4.15pm). Please note the extended time of the seminar.*

## *New Studies in the Synoptic Problem*

*2.15-6.00pm*

*John Kloppenborg*

*Memory, performance and the sayings of Jesus*

*Joseph Verheyden*

*A road to nowhere? A critical look at the 'Matthean Posteriority' hypothesis and what it means for Q*

*Paul Foster*

*The extent of the recoverable Q material*

*Robert Derrenbacker*

*What's the problem and why does it matter? The challenges and rewards of teaching the Synoptic Problem*

*Andrew Gregory*

*Studying and teaching the Synoptic Problem in Oxford, 1911-2011: some observations*

*with responses from Robert Morgan and Christopher Rowland*
